NOTICE OF LOGIC AND ACCURACY TEST AND LEWIS COUNTY CANVASSING BOARD MEETINGS

On Thursday, April 16th at 9:00 a.m., we will conduct a Logic and Accuracy Test on the computer program for the April 28th Special Election. This test is open to the public and observers or reporters are welcome to watch the proceedings.

On Thursday, April 23rd, the Lewis County Canvassing Board shall convene at 9:00 a.m., at the Lewis County Auditor's office to begin the canvass of the Special Election to be held April 28, 2015. The first order of business will be to swear in all members and the clerks to the board. The clerks will then begin processing the returned ballots. After removing all ballots from their designated envelope, placing them with their respective precincts, they will then inspect, scan and resolve the ballots. These ballots will be secured until they are processed with the results released at 8:00 p.m. on election night. The canvassing board clerks will convene day to day, as needed, in order to complete the canvass not later than May 12, 2015. In addition, the canvassing board members shall meet on the following days if needed, to discuss any questionable ballots and to certify the election; May 8th at 10 am; and May 12th at 10 am to certify the election.
